

THE SD VIDYA SCHOOL, NOIDA
Session (2018-19)

Dear Parent

In order to instill a love for poetry and to provide students a platform to showcase their talent and express themselves, the school is organizing an Intra-Class Rhyme Recitation and Enactment Competition for grades I and II on 25th April 2018, Wednesday. The rhymes will be provided by the school to the students and the teachers will guide and prepare them for the same. We request your cooperation in preparing the children at home as well, so that they can perform confidently.

Regards
