HOLIDAY HOMEWORK

Class- II

Session-2024-2025

Name: _____

Dear Parent,

We wish you and your child a very happy summer holidays. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of 'learning by doing' for his /her holistic development.

Kindly ensure that the holiday home work is completed by the students under the guidance of the parents.

KEEP IN MIND TO:

- Use your creativity and imagination to make your homework presentable.
- Spend time with your grandparents, parents and siblings.
- Make an effort to help your parents in small household chores like dusting, cleaning wardrobes, watering the plants.
- Speak in English as much as possible.
- Learn to use the golden words like sorry, please, thank you, excuse me extensively.
- Write one page of writing in English and Hindi twice a week. You can take help of books/newspaper, magazine. Do this work in separate English and Hindi notebooks.

PERSONAL HYGIENE

A healthy personality is the one who is clean, well-dressed, well balanced, well presented, adaptable, positive and confident about self-image which in turn increases confidence. So let's help our children to inculcate healthy and hygienic habits.

- Taking bath daily.
- Brushing teeth twice daily.
- Combing hair regularly.
- Wearing neat and clean clothes everyday.
- Washing hands before and after meals and whenever they come back from outdoors/games.
- Trimming the nails regularly.
- Covering their mouth/nose while coughing or sneezing.
- To keep their surroundings clean.
- To keep themselves clean and organized.

THEME - LOCAL TO GLOBAL

Dear Students,

Welcome to an exciting holiday homework journey where we explore the fascinating theme of "Local to Global." This theme will help you understand how local actions and traditions can have a global impact and how global events can influence our local lives.

In this holiday homework, you will engage in various activities across different subjects—English, Math, Hindi, and EVS—that will help you appreciate the interconnectedness of our world. You will discover how local cultures, customs, and practices contribute to the global tapestry and how global advancements affect our daily lives.

Through fun and creative tasks, you will develop a broader perspective on the world around you. You will learn to value your local heritage while understanding the importance of being a global citizen.

Let's embark on this journey to bridge the gap between local and global, and explore how each one of us can make a difference in the world.

Happy learning!

ENGLISH

- Read a short story or passage about a famous global personality (like Mahatma Gandhi or Malala Yousafzai) who made a local impact before becoming globally known. Paste picture and write a few sentences about what you learned from their story in your English scrapbook.
- Make a list of 10 words related to the theme “Local to Global” (eg. Community, international, tradition, culture, etc). Write their meaning and use each word in a sentence.
- Create a large collage (using chart paper) that showcases both local and global elements. Include landmarks, festivals, foods, and animals from your local area on one side and similar elements from around the world on the other side. Use drawings, magazine cut-outs, and colorful materials to make it vibrant and informative.

HINDI

- 10 शब्दों की सूची बनाएं जो "स्थानीय से वैश्विक" विषय से संबंधित हों (जैसे समुदाय, अंतरराष्ट्रीय, परंपरा, संस्कृति आदि)। उनके अर्थ लिखें और प्रत्येक शब्द का वाक्य में प्रयोग करें।
- "हमारे स्थानीय त्योहार" विषय पर 5-7 पंक्तियों का निबंध लिखें। इसे और भी रोचक बनाने के लिए चित्र बनाएं।

EVS

- Make a collage showing local plants and animals. Next to it, make another collage showing plants and animals from another country. Write a few sentences about how they are similar or different.

Global Foods:

- Pick 5 fruits or vegetables that are common locally and find out where else in the world they are grown. Draw pictures and write the names of these places.

MATHS

- Learn and write counting from 1 to 10 in your local language(hindi) and in any two foreign languages.
- Find and create different patterns based on local cultural designs and global patterns (eg. Indian rangoli, African kente cloth patterns) etc.
