HOLIDAY HOMEWORK

Class-

Session-2024-2025

Name: _____

Dear Parent,

We wish you and your child a very happy summer holidays. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of 'learning by doing' for his /her holistic development.

Kindly ensure that the holiday home work is completed by the students under the guidance of the parents.

KEEP IN MIND TO:

- Use your creativity and imagination to make your homework presentable.
- Spend time with your grandparents, parents and siblings.
- Make an effort to help your parents in small household chores like dusting, cleaning wardrobes, watering the plants.
- Speak in English as much as possible.
- Learn to use the golden words like sorry, please, thank you, excuse me extensively.
- Write one page of writing in English and Hindi twice a week. You can take help of books/newspaper, magazine. Do this work in separate English and Hindi notebooks.

PERSONAL HYGIENE

A healthy personality is the one who is clean, well-dressed, well balanced, well presented, adaptable, positive and confident about self-image which in turn increases confidence. So let's help our children to inculcate healthy and hygienic habits.

- Taking bath daily.
- Brushing teeth twice daily.
- Combing hair regularly.
- Wearing neat and clean clothes every day.
- Washing hands before and after meals and whenever they come back from outdoors/games.
- Trimming the nails regularly.
- Covering their mouth/nose while coughing or sneezing.
- To keep their surroundings clean.
- To keep themselves clean and organized.

Stories are magic, they can create a world full of imaginations, emotions, ideas and make every day seems incredible. What could be better than to listen a story and simultaneously get involved in activities related to the same. So, let's enjoy a story of Nemo and have fun.

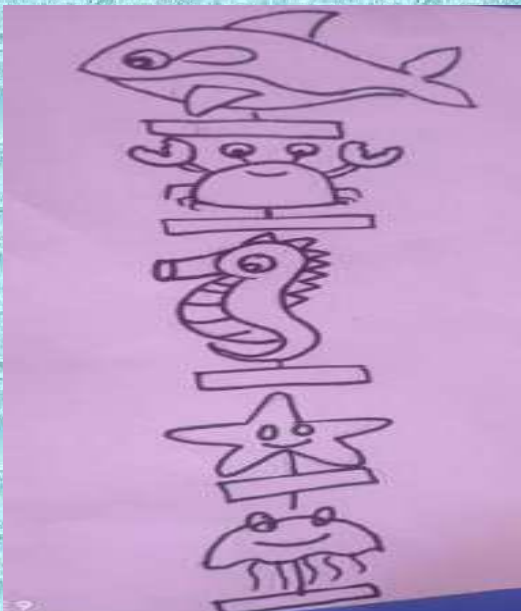

SAVE NEMO

Once upon a time there was a clown fish ,her name was Nemo. She was a naughty fish. She always swam in the Ocean and played with her friends. All the friends used to play together and sing rhymes. They use different rhyming words in rhymes. Let us help them to make a beautiful wall hanging on Rhyming Words.

ACTIVITY 1 :

Make a wall hanging using cut-outs of different sea creatures.You can make cut-outs from pastel sheet.Make four chains of four words each.Start your first word with cat , pin, wall and pan in each chain.

After reciting the rhyme the octopus said I am an intelligent aquatic animal as I have 9 brains. So, I can solve any question of numbers. Now get ready to solve the questions.

1 2 3 GO.....

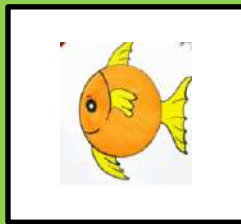

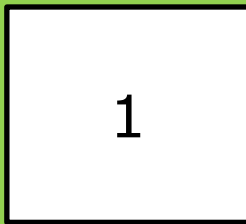

ACTIVITY 2

LET'S PLAY WITH FAMILY

MAKING NUMBER CARDS

Make number cards from number 1 to 10 of size 3"by 5" using coloured A4 sheets. Write numbers on one side and draw fish from different shapes on another side. (You can take shapes like triangle, rhombus etc.)

e.g.

How to play :-

- 1.The child can be asked to pick up any number .Then the parents can asked to pick the number that comes just before and after that number.***
- 2.Any 4 family members can be asked to pick any one number card. Then the child will be asked to arrange those cards in increasing or decreasing order.***

Fishes were happy to solve the numbers, but their happiness did not last for long. All of a sudden, they saw a big ship coming towards them. All the fishes were scared and felt uneasy. They saw the ship releasing poisonous oil. All of them got scared and decided to go to some other place . But due to lack of time only few could escape, and many of them died due to the poisonous oil in the ocean.

ACTIVITY ` 3

पानी के अंदर एक दुनिया है। इस दुनिया में कई जानवर और पौधे हैं। इन जानवरों को जलीय जानवर कहा जाता है। उनकी अपनी अलग जीवन शैली है।

यह जानवर सामान्य जीवन से बिल्कुल अलग रहते हैं। उनके पास एक पूरी तरह से अलग श्वसन प्रणाली है। आपने व्हेल, ऑक्टोपस, तारा मछली के बारे में सुना होगा, लेकिन केवल यह ही नहीं इनके अलावा अन्य जीवन पर भी खतरा मँडरा रहा है। आपको यह पता लगाना है कि कौन से जीव हैं जो नष्ट होने की कगार पर हैं। उनके नाम पता कीजिए और और A4 शीट पर उनके चित्र चिपकाए और नाम लिखिए।

All the leftover fishes were sad because they missed their friends

After few days Nemo was sitting alone in her home and she was very sad. Her all friends had gone away.

Now Nemo was alone in the ocean and she was scared. She decided to leave the ocean and move to another ocean. She found many new friends there. Now, Nemo was so happy with her new friends and she create her own dream aquarium with her friends .Now let's help Nemo to make a 3D model of your dream aquarium with the help of your parents.
